UNDERSTANDING YOURSELF

Games of chance can be fun to play. But if you're playing more and more, it could get out of hand—and before you know it, you're losing more and more.

We're here to help. Call the National Council on Problem Gambling today. One call can change the whole picture.

If gambling is causing a problem for you or someone you know, call the National Problem Gambling Helpline. It's confidential and available twenty-four hours.
