POINTERS FOR WOMEN

EVERY DAY, EIGHT BABIES ARE BORN WITH A BIRTH DEFECT OF THE BRAIN AND SPINE, LIKE SPINA BIFIDA. SPINA BIFIDA IS THE MOST COMMON PERMANENTLY DISABLING BIRTH DEFECT IN THE UNITED STATES. SPINA BIFIDA CAN LEAD TO LIFELONG CONDITIONS SUCH AS PARALYSIS. BUT THERE IS GOOD NEWS. WOMEN CAN REDUCE THEIR RISK OF HAVING A BABY WITH SPINA BIFIDA BY TAKING FOLIC ACID EVERY DAY. TELL THE WOMEN IN YOUR LIFE TO TAKE FOLIC ACID EVERY DAY. TO LEARN MORE, VISIT THE SPINA BIFIDA ASSOCIATION AT S-B-A-A--DOT--ORG.
